

VOLUNTEER AT THE CONFLUENCE

In 2025, more than 50 people volunteered to make the Confluence a success!

We are looking for the following volunteers:

- Greeters
- Photographers
- Parking directors
- Food servers
- Youth activity leaders
- Event set up and take down facilitators
- Guest transport leaders
- Bar servers
- ...and more!

No experience with the CCCWC needed! Volunteering at the Confluence is a great way to get to know the Coon Creek community while also promoting soil conservation and watershed health. Be part of the oldest watershed movement in the nation!
